

Permission To Use Photos, Video, or Electronic Media

It is the policy of **Civitan International, Civitan International Foundation** and its international association of local clubs that no photos, video, audio tapes, accounts or other forms of reproduction be made or used without the permission of the person, parent or guardian of the individuals portrayed. When such images or depictions of persons are used by Civitan, they will be used for education, training research and public information purposes only, and will be used in a professional manner that protects the dignity of individuals and their families.

By signing this form, you indicate that you are giving your approval that the media approved below may appear in Civitan's publications, videos, websites, presentations and informational programs supporting Civitan International's mission.
