An individual Fellow fund can be started with as little as \$100, and the account will remain open until the minimum required donation is collected. Complete this form and remit to Civitan International, allowing 10 to 14 days for engraving and shipping.

## Fellows Recognition

The Civitan International Fellows Program is a great way to recognize Civitan and community leaders for their outstanding volunteer efforts. Distinctive awards and lapel pins have been designed for presentation to the honoree.

If you desire to make the Fellow presentation a surprise – no problem! The honoree will not be informed, allowing you to make a big “splash” when the announcement is made during the planning event. The plaque may be presented at any time of your choice, and even during the Civitan International Convention.
