

The Civitan Creed

I AM CIVITAN: as old as life, as young as the rainbow, as endless as time.

MY HANDS do the work of the world and reach out in service to others.

MY EARS hear the cry of children and the call throughout the world for peace, guidance, progress, and unity.

MY EYES search for others to join in the fellowship and service of Civitan.

MY MOUTH utters the call to daily duty and speaks prayers in every tongue.

MY MIND teaches me respect for law and the flag of my country.

MY HEART beats for every friend, bleeds for every injury to humanity, and throbs with joy at every triumph of truth.

MY SOUL knows no fear but its own unworthiness.

MY HOPE is for a better world through Civitan.

MY MOTTO: builders of good citizenship.

MY BELIEF: do unto others as you would have them do unto you.

MY PLEDGE: to practice the Golden Rule and to build upon it a better and nobler citizenship.

New Civitans in developing Civitan nations need Civitan fellowship. When a club is built, introducing Civitan to a new community, region, or nation, it an exciting occasion, but it is also a challenge.

Often, new clubs are built a great distance from existing clubs. These clubs have no true sponsor to advise about club operations, assist them with membership issues, share Civitan friendship, purchase charter gifts, or ensure their sustainability.

Through the Global Sponsor Program, an existing Civitan club can help build a new club in another part of the world, and establish a long lasting partnership and friendship with a sister club.

Global Sponsor Program

Through the Global Sponsor Program, a Civitan club can help build a club in a new Civitan area by supplying charter gifts. These include a gavel, club banner, and nation's flag set (member and officer pins, and charter member certificates) — all for only \$350. Co-sponsorships also are possible if two clubs contribute \$200 each. This program can be funded from the sponsor's club account.

Civitan International will provide the sponsoring clubs with a contact in the club. You will then be able to correspond with the new club to determine its needs and consults with them about service projects, membership growth, and administration. Many clubs that began such sponsoring relationships have been corresponding for many years and visit each other regularly.

Global Sponsors will receive a handsome Global Sponsor banner patch.

Where To Build

A club may wish to direct its assistance to a particular nation or region. Global Sponsorships can be applied in any nation authorized by the Civitan International Board. However, no global club building may occur in a nation until authorization is granted.

A list of Civitan countries is currently printed on the inside cover of each issue of Civitan Magazine. Many other nations are also authorized for expansion. For further information, contact Civitan International at 800-CIVITAN.
