CIVITAN AWARENESS MONTH

The (club name) Civitan Club is joining Civitan clubs around the world in celebrating Civitan Awareness Month, (date).

(Include details of specific club activities planned for Awareness Month.)

Awareness Month is designated as a time for clubs to honor the founding of the organization and promote awareness of Civitan's purpose and projects.

Civitan is a worldwide community service organization of men and women in 22 nations on four continents working together in community clubs to help those less fortunate than themselves. Civitan clubs provide a great deal of service to their communities, with emphasis on aid to people with developmental disabilities and special needs, youth leadership development, and good citizenship. Civitans also fund the Civitan International Research Center, a research and treatment facility for developmental disabilities, located at the University of Alabama at Birmingham.

Through Civitan, club members discover the best in themselves and in others. Civitan gives its members opportunities to develop new friendships and business acquaintances and gain leadership skills that can be used in all aspects of life. Civitan World Headquarters is located in Birmingham, Alabama, where it was founded in 1917. For more information about Civitan, call 1-800-CIVITAN.
